## EDUCATION

Louisiana State University, Baton Rouge, LA

- Bachelor of Science in Electrical Engineering, May 2021
- Concentration in Power Systems

Baton Rouge Community College, Baton Rouge, LA

- Associate of Science in Pre-Engineering, December 2020

Coursework: Probability, Calculus III, Engineering Physics III, Statics, Software Design & Programming, Differential Equations, Digital Logic II, Circuits II, Electronics II, Electrical and Magnetic Fields, Communications in Computing, Signals & Systems, Electric Power, Microprocessing, VLSI Design, Digital Signal Processing, Neural Computing, Control Engineering, Modern Imaging Techniques

## EXPERIENCE

WIX Filters

Summer 2010, Summer 2011

CO-OP

Gastonia, NC

- Requested prototype filter constraints from client.
- Designed and manufactured prototype filter including assembly process design.

Verma Systems

June 2018 - Present

Intern

Baton Rouge, LA

ConnectWise Suite and Remote Monitoring

- Configuring ConnectWise Automate, Connectwise Manage, and facilitating training with support to staff utilizing the ConnectWise Suite.
- After completing the ConnectWise University Education, trained staff to utilize their individual workflow tools.
- Generating client network alerts for technicians and the training resulted in a company wide change in workflow which focuses on customer service.

Windows 7 PC Refresh

- Replacing or upgrading Windows 7 computers for contract clients.
- Worked with the service department to locate and access client equipment.
- Onboarded new and existing client equipment using Connectwise Automate.
- Revenue directly related to this project exceeded \$100,000 last quarter.

Network Auditing

- Perform on site audits of network equipment.
- Documented this information with photos and technology assessments .
- In addition to verifying Verma Systems standards are upheld and maintained; this information is used to develop new opportunities or supplement existing projects.

Procurement

- Processing client software renewals, receiving and shipping projects equipment.

## SKILLS

OrCAD PSpice, Eagle, Matlab, Xilinx Vivado, Keil uVision5, ConnectWise Suite

## HONORS AND ACTIVITIES

Communication across the Curriculum

Present

Distinguished Communicator

Society of Peer Mentors

Present

Society of Women Engineers

Present

Institute of Electrical and Electronics Engineers
